Heart Fund Drive

Emphasizing that research is the key to the eventual elimination of heart disease, Mrs. Joseph D. Travis, general chairman of the 1971 Mattapoissett Heart Fund drive, met with her captains and organized the drive to be conducted during the month of February.

Mrs. Travis, delighted that so many people are responding so willingly to her request for help, believes strongly in the purpose of the heart fund campaign.

Serving as captains in various sections of the town are: Mrs. Robert C. Tinkham, Mrs. Donald H. Chase, Mrs. Harry M. Locke, Mrs. William Hall, Mrs. Murray H. DeCoffe, Mrs. George Silsby, Mrs. Gerald Parry, Mrs. David Furtney, Joseph D. Travis and John E. Atkinson.

LADIES COMPOSE POEMS AND
MEN TRIM HATS AT GRANGE

Mattapoisett Grange held its bi-monthly
meeting last Thursday night with master
Susan LaFleur presiding. Herbert LaFleur,
Pomona master, was the honored guest.

Resolutions of memorial for Mrs. Rebecca
Downing were read by Mrs. Margarite
Vaughn. She was assisted by Earle D.
Wilson and Mrs. Edith Johansen.

A report was given of Mrs., Marjorie
Smith who has returned from the hospital
and is convalescing at her home at Shell
Beach.

Cards have been sent to John Raphael
and Doris Fearing.

The worthy master reminded the members
that donations were being accepted on the
ham for Easter.

The lecturer's program was opened by all
the ladies who read their poems composed
by them. It was noted that Mattapoisett
Grange have some very remarkable poets.
The judges were Mark Harris, Mark Breton
and Manuel Roderick, overseer of Pomona.

"What's so great about
those two Georges
anyway?"

"Everything, I've got to admit. This is your hard-working, dependable tugboat speaking. I work for Fairhaven Savings, but the two Georges always get the breaks!

I don't hold grudges, however. They're doing a terrific job for all the customers as far as savings plans and personal loans go.

George B., of course, helps you decide on a savings plan down at Fairhaven Savings. They are something else, those plans. You get top dividends, no matter which one you choose.

P.S. "I never let my personal feelings stand in the way of the fact that you get better banking at Fairhaven Savings . . . long hours, top dividends, and nice folks to do business with."

George G. — the *original* George — is the Personal Loan officer. He also works as hard as I do, hard as any tugboat in New York City that's ever moved the Queen Elizabeth out of her berth!

Who am I? Just keep watching. You're going to see plenty of this little tugboat, or my name isn't . . . (but I can't tell you that yet).

Just keep coming along to Fairhaven Savings . . . open 43½ hours a week to serve you better . . . open *all day* Thursdays and Fridays from 7:30 A.M. to 7:00 P.M."

It was a task to decide who wrote the funniest and the best poems out of the 12 present. The judges finally decided on Mrs. Olive Gifford with the best and Mrs. Margarite Vaughan the funniest.

The most original of hats trimmed by the men were outstanding. They were judged by Kathy Buckley, Mrs. Mary Bumpus and Mrs. Gladys Pearson. After the judging the men donned their hats and paraded around the hall. The hat judged prettiest

The lecturer's march was won by Mrs. Cora Smith. The Pomona officers will be guests at the next meeting. A paper bag auction will be conducted by Mattapoisett Grange for the benefit of the treasury. Mark Harris will be auctioneer.

A pot luck supper will be held Wednesday at 6 P.M., followed by a Fair Committee meeting with all taking part.

Cup cakes and coffee were served by Susan LaFleur and Christine Day.

WORKSHOP ON "THE WORD ALIVE"
AT SACRED HEARTS ACADEMY

A "week-end experience with the Word of God" is how Father David Reid, SS.CC., describes the two-day workshop he will be conducting during Washington's Birthday week-end. Entitled "The Word Alive", the sessions will be conducted on Saturday, February 13th, and Sunday, February 14th, at Sacred Hearts Academy, 330 Main Street, Fairhaven. This is the third offering of the Christian Awareness Series, sponsored by Sacred Hearts Monastery, also in Fairhaven.

All lay men and women, religious brothers and sisters, and priests, are invited to take part in the workshop. Activities will begin at 9:00 A.M. on Saturday, ending with Mass at 4:00 P.M. On Sunday, the opening talk will be at 10:00 A.M. and the workshop will conclude with a 5:00 P.M. Mass. Lunch will be served each day. Advance

To quote Father Reid, "the entire workshop is designed to provide an opportunity for deepening personal and communitarian understanding of God's Word, and a real experience of its power and role in the life of man". To make it all the more valuable, he hopes to have a large participation by lay men and women, as well as priests and religious.

CRUMP FAMILY TO APPEAR AT GRANGE

There will be a meeting, open to the public, at Marion Grange on Wednesday, February 17th. The reason for this meeting being open to the public is the special program that is being offered.

It will be a program of Country and Folk Gospel Music to be presented by Mrs. Dorothy Crump and her six children, Cheryl, Laurie, Virginia, John, James and Timothy. They will be accompanied by Mr. Jim McDonald on guitar. Miss Cheryl Crump will also play the guitar and piano.

As many area people are familiar with the Crump Family, through church singing and Grange appearances, it is hoped that many will be there on February 17th. If you're not familiar with the Crump family, come to Marion Grange on Route 105 in Marion for a very enjoyable evening.

Also available that evening will be copies of Larry Crump's second L.P. Record Album, "Larry Crump on the Road", for anyone wishing to purchase one.

So come one and all for an enjoyable evening of some real great entertainment.

LITERATURE MEETING

Favorite poems will be read at the meeting of the Literature Group of the Mattapoisett Woman's Club to be held Wednesday, February 17th, at 9:30 A.M. at the home of Mrs. Donald C. Jason, 16 Barstow Street.

Fresh fruits will flourish in the refrigerator if you transfer them from cardboard box to sealed container. Berries — on the other hand — should be spread out on a shallow dish and left uncovered. They should also be washed just before serving.

No matter what the song used to say, you can put bananas in the refrigerator . . . when they are fully ripe. But, be sure to store them in sealed containers so odor won't transfer to other foods.

"INDIAN PAINT", MOVIE AT ORRHS

The third of the A-1 rated series of movies for the young, sponsored by the Sippican Woman's Club of Marion, has been announced by the chairman, Mrs. U. Grant Keener, for February 20th, at 2 P.M. at the Bristol auditorium of Old Rochester Regional High School, Mattapoisett. The picture, "Indian Paint", will feature the program. The presentation in color is the Brazos River Country in north central Texas and is based on the prize-winning best-selling novel by Glenn Balchi, which was awarded Parent's Magazine medal. The story centers around the almost heroic efforts of a 15-year old son of a tribal Indian chief and a painted colt, the offspring of a leader of a band of wild horses. In addition to the excitement of the story the film presents a most interesting portrayal of Indian tribal life before the white man encroached their land.

The series has attracted much favorable comment throughout the area. At the presentation of last week's movie, 28 handicapped children from New Bedford were among the attendants. The previous films had been attended by many Boy and Girl

ON BEHALF OF THE CANDIDACY OF

GEORGE S. WHITE

FOR SELECTMAN

We wish to comment on the candidacy of George S. White for the office of Selectman for the benefit of those many new citizens in the town who are not acquainted with his long and excellent record of service to the community. George White served as a selectman of Mattapoisett for 20 years during the period of 1948 through 1968. During that term of service, George White earned and won the respect of all, even those with whom he disagreed, as a person of unimpeachable honesty -- forthright in all of his dealings -- and willing to speak and defend his views on their merit. He demonstrated a continuing concern for the welfare of all of the citizens of the community; to his task, he brought native ability, enormous energy and a broad experience.

We urge those of you who are not acquainted with George White to enquire his reputation among those who have known him over the years and then to vote as your conscience dictates.

Scouts. Although season tickets have been purchased by many, admissions are still available at the door for those interested in a worthy entertaining program which has achieved much praise for the sponsors.

The proceeds of the series are added to the Sippican Woman's Club's scholarship fund.

Mrs. U. Grant Keener is the chairman in charge of this type of sorely needed movies which is catching on and acclaimed in this vicinity. Mrs. James Hartshorn is a co-worker and Mrs. Arthur Hickey is ticket chairman. Mrs. Joseph Lipsitt is publicity chairman.

Feb. is Heart Month

IN HEART ATTACK, INDECISION AND INACTION CAN BE FATAL

(This is the second of a series of three articles presented by your Heart Association to inform readers of this newspaper about the urgent need for prompt medical help in the event of heart attack.)

Many heart attack deaths result from electrical irregularities of the heart. These abnormalities often can be corrected by the use of new electronic devices, new drugs and other techniques which are reducing in-hospital mortality from heart attack by about 30 per cent.

Your Heart Association foresees the realistic prospect of salvaging at least 50,000 "hearts too good to die" through specialized coronary care services, and has ac-

cepted some major challenges looking toward such an objective.

Its first goal is to bring about, through public and professional education, a drastic reduction in the time intervening between the onset of heart attack symptoms

LEADING CAUSES OF DEATH IN U.S.

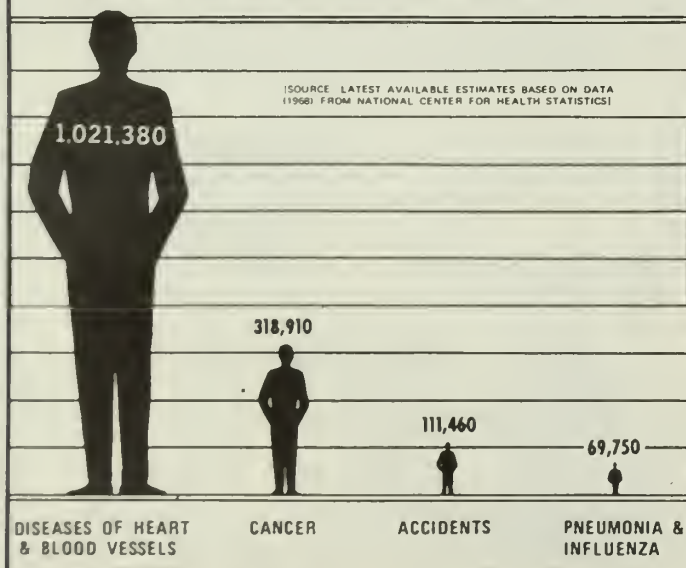

CHART DRAMATIZES MAGNITUDE of the problem of heart and blood vessel diseases in the United States. They now kill more than a million adults and children yearly, accounting for about 53 per cent of all deaths in this country and afflicting more than 27,000,000 living Americans. The Heart Fund Campaign is being conducted in February to fight this foremost health enemy.

The key issue here is to acquaint millions of Americans with the need to get immediate medical assistance, and to instantly recognize these usual warning symptoms of heart attack:

A prolonged oppressive pain or discomfort in the center of your chest, just behind the breast bone.

The pain may radiate to a shoulder, arm, neck or jaw.

The pain or discomfort is often accompanied by sweating.

Nausea, vomiting and shortness of breath may also occur.

The symptoms may subside, then return.

The second major objective of your Heart Association is to encourage an expansion of coronary care facilities to cover as many as possible of the nation's 8,000 hospitals treating acutely ill patients. About 3,000 hospitals are now equipped to render such service, and the number is constantly growing.

A third is to spearhead programs for the training of doctors and nurses to staff coronary care units.

Behind these concepts is the most important life-saving development to emerge from the 1960s -- a system whereby the heart's electrical activity is constantly monitored by special equipment and staff, with an alarm system bringing trained personnel within seconds if there is any change in heart rhythm or rate above or below a preset range.

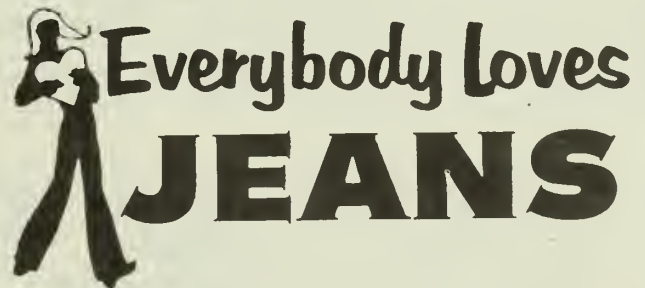

This is coronary care service. It takes advantage of this principle:

Death from heart attack is not necessarily the result of heart muscle damage but instead may be due to a reversible electrical derangement of heart rhythm occurring as the result of relatively minor heart muscle injury.

The usually-fatal crises include ventricular fibrillation (heart moving wildly), experienced by about 10 per cent of surviving heart attack patients; ventricular tachycardia (extremely rapid and inefficient beating), about 25 per cent, and unexpected cardiac arrest (cessation of circulatory functions) from 10

to 20 percent.

In coronary care units, these and other conditions are correctable. Moreover, through intravenous medications, it is often possible to forestall such crises when

NO APPOINTMENT NECESSARY

(Capricorn, Dec. 22—Jan. 20)

Capricornians, blessed with a built-in appreciation of labor, work hard if it is going to get them somewhere. They bear with limitations and frustrations since their very nature is conditioned to them. It is through the realization that success is achieved by the acceptance of necessity that they win

through despite all obstacles.

Overstress or misuse of these capacities can mean too utilitarian an attitude towards life, too stern a behavior to young people.

Capricornians, who have holly as their flower, white onyx as their birthstone and perfection as their goal, are hardly ever capricious. Making capital of their opportunities, they are practical, cautious, responsible and ambitious.

the first indications of danger present themselves.

Unfortunately, coronary care service is of value only to those who recognize the warning symptoms and who seek medical assistance. Each minute that passes, following the onset of an attack, diminishes its potential value.

Annual Calendar Drive

LIONS TO SELL CALENDARS THIS SUNDAY

The annual Mattapoisett Lions Club calendar drive will be held on Sunday, February 14th. On that day members of the club will call on homes to take orders for the calendars and for listings of birthdays, anniversaries, meeting dates, etc.

The Lions Club calendar is unique to Mattapoisett and helps preserve the small town character of our village. Friends and neighbors' birthdays and anniversaries are listed under the appropriate dates, as well as important meeting dates of the various organizations. The calendar covers the period from May 1, 1971 to April 30, 1972.

The Mattapoisett calendar sale is the major fund-raising event of the year for the Lions Club and all members wish to thank the town residents for their support over past years. With the exception of contributions to the Massachusetts Eye

THE HISTORY & MYSTERY OF RUM

Rum is as American as mom's apple pie!

Columbus began it, Paul Revere gave it a running start, John Hancock endorsed it with a flourish, and Americans down to the present day have enjoyed it. Yet, few of the millions who've served or sampled rum are

aware of its Yankee tradition--with deeper roots in America than either coffee or tea!

While it is true that most rum originates in tropical climes, and particularly in Puerto Rico, researchers for the makers of Don Q Rum say that it wasn't until Columbus introduced sugar cane to the New World that anyone ever thought of making rum.

By the time Ponce de Leon gave up on his Fountain of Youth, sugar plantations were already thriving in Puerto Rico, where the first rum stills were probably set up. Making the trip across the Caribbean, "rum bullion" took the chill off many a winter's night for the early settlers in Virginia and Massachusetts.

Recognizing a good thing, the good folk of old New England began making rum and inventing drinks that are still popular with us today. As a matter of fact, the first American cocktail is generally considered to be the Rum Sour -- a Yankee adaption of "ron-y-limon," which the Spaniards in the Caribbean used to sip from conch shells.

Eggnog, Tom and Jerry, Hot Buttered Rum, punches and flips all date back to the days of the tricornered hat. Rum Flip, or "one yard of flannel," as the colonists called it, was a standard ingredient in colonial festivities. Three to four quarts were made at one time and tossed from pitcher to pitcher until the texture was smooth as cloth. The mixing was done at arm's length--hence, "one yard of flannel".

When the colonials cried, "No taxation without representation," they weren't thinking only of stamps and tea; the earlier British levies on their rum and molasses had stirred just as much ire. When the Revolution began, rum became an important part of the war effort -- so much so that playful historians have

dubbed it the "spirit" of '76.

According to Paul Revere's own account of his famous ride, he was served several stirrup cups of rum at his first stop.

Later, rum rations were offered as a re-enlistment inducement to American troops; Washington won an increase in the allotment when he protested to Congress in '77 that rum for his men was available "in too small quantities". Backed up by John Hancock, Congress came through with Washington's request.

After the Continental Army's defeat at Brandywine, it was neither brandy nor wine, but 30 hogsheads of rum issued as a special ration by Washington, that helped rebuild troop morale. Hot buttered rum, to counteract the bitter war winters, was the "coffee and doughnuts" of the Revolutionary "G.I.'s". They served it in tankards, and heated it by plunging a red-hot poker into the liquid!

Today, you needn't go through a winter at Valley Forge to enjoy rum drinks so rich in tradition. To make an eggnog, for instance, you have a convenience even old George

JOHN D. DRURY, Jr., R.N.

CANDIDATE FOR
Board of Health

Married to the former Jean Buck, they have four children and reside at 12 Pearl Street.

Mr. Drury is a graduate of Tufts College with a degree in Biology and Chemistry. He served with the U.S. Army Air Force from 1942 to 1946. He is a graduate of McLean Hospital School of Nursing and has been a Registered Nurse since 1953. A graduate of St. Mary's Hospital School of Anesthesia, Rochester, N.Y., he is certified as a Nurse Anesthetist by the American Association of Nurse Anesthetists.

As an Instructor in Anesthesia certified by the A.A.N.A., he helped to establish schools of Anesthesia for nurses at the Tufts-New England Medical Center, Boston, Mass. and St. Luke's Hospital, New Bedford. He presently serves on the anesthesia service of St. Luke's.

Pollution is the overriding concern in our lives. If we want a better world we must be sure that it is not poisoned out of existence before we can achieve our goal. I think that local boards of health can contribute to our efforts. I would like to be a part of this and would appreciate your vote in the coming town election.

Washington could never have thought of -- a prepared mix from your dairy or supermarket. All you have to do is add 12 ozs. of Don Q gold Puerto Rican rum to each quart of the preparation. Then fold in 1 cup of cream... chill...sprinkle with nutmeg.

What could be easier than that--if not the simple and delightful Rum Splash, a jigger of light-bodied Puerto Rican gold rum, a twist of lemon peel, ice and a splash of soda. No other drink better imparts the subtle rum flavor.

If your tastes run to white rum, rather than gold, then whip up a delicious Daiquiri--a cocktail invented by Americans in Cuba at the turn-of-the-century. This calls for 1/2 oz. fresh lime (or 1 oz. lemon) juice, 1 scant teaspoon of sugar, and 1 1/2 ozs. Don Q white rum shaken with ice and served strained in a cocktail glass or over ice cubes in an old fashioned glass.

What better way to develop a taste for history?
